SCA News

The November meeting of the Appomattox County High SCA was held on Nov. 21, 1973, in the high school auditorium. Patsy Hughes, President, called ed the meeting to order, and Teresa Smith, Chaplain, gave a devotion on Thanksgiving. The minutes of the last meeting were read to the club by the Secretary, Carolyn Winston. The treasurer's report was incomplete since all bills and expenses for the Homecoming had not yet been received.

Patsy then brought up the old business of the club. It was voted on by the club to reimburse a student for her shoes that had been mixed up with someone else's at the shoe check at the Homecoming Dance. The shoes left in the shoe check were to be sold since they were almost new and in very good condition.

There was a lot of new business to be discussed by the SCA. The President suggested that we send out thank you notes to the various people giving donations and time in connection with Homecoming. A committee was appointed to carry out this duty. The club then discussed using suggestion boxes in each homeroom so that students would have an opportunity to offer ideas about school activities and policies. The next thing brought up was the annual Christmas door decoration contest for all interested homerooms in the school. The SCA decided to sponsor this contest again this year, and a committee was appointed to get the judges and prizes for the contest. Following this, a letter from the Regional Newsletter Committee was read to the club. It was voted that the club submit news to the Committee to be published in several newsletters for the school year. The letter has then brought up that seniors be called to lunch before underclassmen as a Senior privilege. There was some discussion of this idea, but no action was taken due to lack of time. The meeting was then adjourned by the President.
